

## Health & Safety Policy Statement

The Health and Safety at Work etc Act 1974 and the Health and Safety at Work (Northern Ireland) Order 1978 highlight the duty of all concerned in Industry and Commerce to play their part, in securing the Health, Safety and Welfare of persons at work, and protecting the community at large against risks to Health or Safety arising out of or in connection with the activities of persons at work.

We accept our responsibility under the relevant legislation and it is our policy to do all that is reasonably practicable to ensure the Health, Safety and Welfare of employees whilst at work and those who may be affected by the Company's activities:

Our objectives are to:

- √ To provide adequate control of the health and safety risks arising from our work activities :
- √ To consult with our employees on matters affecting their health and safety :
- √ To provide and maintain safe plant and equipment :
- √ To ensure safe handling and use of substances :
- √ To provide information, instruction and supervision to employees :
- √ To ensure all employees are competent to do their tasks, and to give them adequate training :
- √ To prevent accidents and cases of work related ill-health :
- √ To maintain safe and healthy working conditions ; and

We are confident that the importance of these objectives will be recognised by all employees and others concerned and that each and every individual will co-operate responsibly in the sustained efforts necessary to attain them. To assist with the management of health and safety the Company is committed to compliance with the Safe-T-Cert standard and will use this as management tool to control and improve health and safety.

The policy will be kept up to date, particularly as the business changes in nature and size. To ensure this, the policy and the way in which it is operated will be reviewed each year.
